Deluxe Rollator with Padded Seat

The Roscoe Deluxe Rollator includes upgraded 8-inch flat wheels with a wider tread, perfect for indoor or outdoor use, and a curved padded backrest for additional comfort when seated. The rollator's handles adjust to the user's height while the reliable, loop style brakes control speed and lock wheels. With three attractive finishes, an easy-folding mechanism for quick storage, and a 300 pound weight capacity the Roscoe Deluxe Rollator is a worry-free choice for you and your patients.
